Asterisk (*) in model number is placeholder for version suffix (1, 2, etc.). Do not include asterisk (*) in model inventory query. Compatibility unchanged across versions unless otherwise noted. / Astérisque (*) dans le numéro de modèle utilisé comme substitut du suffixe de version (1, 2, etc.). Ne pas inclure l'astérisque (*) lors de la recherche du modèle dans l'inventaire. Compatibilité inchangée entre les versions, sauf indication contraire.

●* This accessory ships with the indoor unit. / Cet accessoire est expédié avec l'unité intérieure

*1: Compatible with accessory part number 17401204011789 (4 pin cable extension; 6m) / Compatible avec l'accessoire portant numéro 17401204011789 (câble d'extension à 4 fiches ; 6 m)

*2: Compatible with accessory part number 17401204008985 (5 pin cable extension; 6m) / Compatible avec l'accessoire portant numéro 17401204008985 (câble d'extension à 5 fiches ; 6 m)

*3: For multi-zone applications. Compatible with GCHMA24RBAS1, GCHMA36RBAS1, GCHMA36RCAS1, GUHMA24RBAS1, GUHMA36RBAS1, GUHMA36RCAS1. For additional LI2C1 compatibility information, refer to full product literature. / Pour des applications multizone. Compatible avec GCHMA24RBAS1, GCHMA36RBAS1, GCHMA36RCAS1, GUHMA24RBAS1, GUHMA36RBAS1, GUHMA36RCAS1. Pour plus d'information sur la compatibilité de LI2C1, veuillez consulter la documentation complète du produit.

*4: Coil Interface (required) / Interface pour serpentín (requis)

*5: Jumper bar used for power connection to EAH heater kits. See product specific submittal for applicable jumper bar part number. / Barre de raccordement utilisée pour la connexion des éléments électriques EAH. Consultez la fiche technique du produit pour connaître la référence de la barre de raccordement correspondante.

*6: BACnet adapter has been confirmed for compatibility only, connection and technical support is not available. / L'adaptateur BACnet a été testé uniquement pour vérifier sa compatibilité ; aucun service d'assistance technique ni d'installation n'est disponible.
